Principal’s Message

Class Changes
There will be some changes from the beginning of Term 3 as we need to restructure from 31 to 32 classes. Teachers are making changes that will cater for needs of students. 2/3 Dolphin will become 3/4 Dolphin still taught by Miss Delia. 4/5 Eagle will become 5/6 Eagle and will be taught by Mrs Egan. The new class in the new room will be a Year 2 class and will be taught by Miss Gouhar.

Gates
Thank you for your patience and understanding during this time when our gates have been closed. We have a student with a medical condition that is being treated by doctors at the children’s hospital and until this condition is controlled the gates need to be closed for safety reasons. This will only be for a short period of time.

Kindergarten 2015
If you have a child starting school next year please come along tonight for the first information session for parents. This will help you prepare your child for a very positive start to school. It will also give you information about the enrolment process.

Parent Teacher Interview Notes
Please choose a time and return your note so that you get a time that suits you. Interviews will be held in the second week of next term. Years 3-6- Monday 21st July and K-2 -Tuesday 22nd July 3-7pm. If your child is changing classes your interview will be with the teacher who taught and assessed Semester One learning. I encourage all parents to make the time to discuss student learning with class teachers.

Save this date- July 29th is Open day at school for Education Week.

Thank you to everyone for another great term. Stay safe and enjoy your holidays! Students return to school on Tuesday 15th July.
