Principal’s Message
Term 2 Week 10

Term 3 Staffing Changes
I would like to thank Mrs Stojanovic and Mr Tasker for the wonderful job they have done in the relieving Deputy Principal role for Semester 1. Next term Mr Tasker will be teaching 5 Strudel and will be the Assistant Principal supervising Stage 3. I thank Mrs Macpherson for the great job she has done supervising Stage 3. Mrs Macpherson will continue to support Mr Tasker in this role. We send best wishes to Mrs Williams as she will be on maternity leave from the start of Term 3. Mrs Stojanovic will be teaching K Waffle and will be the Assistant Principal supervising Kindergarten. Mrs Richards will be taking 4 weeks long service leave and Miss Baxter will be teaching 3 Rocket for that period of time. If there are any other changes I will let you know at the beginning of the term.

Pirate Day
Please take note of the fun day planned for the last day of term and support a fundraiser for Kids Cancer Research. Further information can be found in this newsletter.

Reports
Written reports for Semester One will be sent home on Thursday. Please celebrate the achievements of your child and discuss goals for improvement in Semester 2. Please note days take to travel are no longer exempt and are counted as absences on your child’s record.

Parent Teacher Interviews
Please make sure you have made a time to meet with your child’s class teacher in week 2 of next term. This is another forum for teachers to give you feedback on your child’s academic, social and emotional development. It allows you to work with your child and teacher to set goals for continued improvement as we work together to ensure all students reach their full potential.

Term 3
Staff will be at school on Monday 13th July engaged in professional learning to further enhance the quality of teaching in every classroom. Students return to school on 14th July and that is the day Stage 3 campers head off to Canberra and the snow. We know this will be an excursion full of learning and new experiences.

Holidays
I once again thank our students, staff and parents for another great term and wish everyone a safe and relaxing holiday break so we can all return revitalised and ready to learn in Term 3.

The Waterfall

The waterfall was surrounded with trees, but beyond that was a mysterious tunnel. On the other side of the tunnel was a small village. Tara, one of the village girls, loved walking through the tunnel which led her to the waterfall. Sometimes she would visit with her friend, Melissa and they would work on their secret cubby house made from bark and vines found on the forest floor. But if she was alone she would sit on a tree branch and watch the cute little monkeys play.

One windy afternoon, Tara and Melissa were walking to their secret cubby house when they noticed a track had been cleared through the trees. Moving closer, they spotted that the colour of the water at the bottom of the waterfall had changed. It was now an emerald green and there was a very strong chemical smell coming from the area.

Ahoy there me hearties!
This Friday we are having a special Mufti Day to raise money for The Kids' Cancer Project.
Come along dressed as a pirate and bring a gold coin to donate to a worthwhile cause. You will receive an awesome eye-patch to wear on the day to look like a member of the MFPS Pirate Crew.
Please leave your swords and hooks at home on Friday to keep all of our pirates safe.
