Principal’s Message  
Term 2 Week 8

I hope everyone enjoyed the long weekend and took time to relax.

Safety
Thank you to everyone who is taking more care when driving at the front of our school. As we have said undercover police are regularly in attendance and 7 parents have already been fined. WE MUST KEEP CHILDREN SAFE!!

Please remember that no parking is allowed at the gym next door. The area there is for clients only.

Also make sure young children wait for you inside the school grounds. Last week a child was found wandering around the cars at the pool area without an adult. Drivers cannot see small children. All children must be accompanied by an adult when going to a car parked in that area.

Assessment and Reporting
Written reports will be sent home on Thursday 25th June. If there is a parent who does not live in the home and you would like a report posted please contact your child’s class teacher. A note about parent/teacher interviews will be sent home this week. Please return it with your choice of times to your child’s class teacher. If you would like a preferred time send your note in quickly! K-2 interviews will be held on Tuesday 21st July and 3-6 on Monday 20th July. Teachers will also indicate other times they are available.

Year 6 fundraising
Year 6 students are organising two discos for a gold coin donation. K-2 is this Thursday at recess in the hall and 3-6 is on Thursday 18th at recess in the hall. The money raised will go towards the Year 6 gift to the school.

Education Week and Harmony Day
For your diary- Wednesday 29th July is Open Day during Education Week. Please try to come along. There will be class displays in the hall, open classrooms, a parade and performances, sausage sizzle for a picnic lunch and a book fair in the library. Children love to have an adult come to visit on that day.

Our school rules- Be Safe, Be Kind, Co-operate and Show Respect.

ELUERA NEWS

Thank you to all of the people who bought a book from our Monster Book Sale. Thanks to your support and the hard work of Mrs Thornhill, our school made a profit of almost $3 500. This profit will be used to purchase resources for our school and we can't thank you enough for that. Sadly student borrowing at our school is the lowest that it has been in 18 months! We are so lucky to have our beautiful Elouera and all of the wonderful books yet so few are being borrowed! I will be following up the children who have not been borrowing, so make sure that you get back on track straight away.

**Where's Wally?**

Wally is Mumbai. Where on Earth is that and why is it so famous? What is the population there and what would Wally be likely to eat if he went to a local restaurant?

**PARKING IN THE LEISURE CENTRE**

The management from the Macquarie Fields Indoor Leisure Centre next door to the school, is complaining that parents and carers are parking in their car park each afternoon and creating parking problems for their clientele. We are extremely aware of the parking issues in and around our school and would welcome your support and suggestions in addressing this ongoing problem.
