How you can help at home.

English

- Your child needs to read their take-home readers EACH NIGHT. Once or twice a week is not enough.
- Please initial the boxes on their reading log to show they have read to you.
- Regularly revise spelling list words so your child does not forget.
- Write a sentence a night about anything that interests them.
- Read TO your child each night. They really enjoy listening to adults read stories and it fosters a love of reading.

Mathematics

- Regularly revise the following:
  - Counting to and from 100
  - Counting by 10’s to and from 100
  - Counting by 5’s to 100
  - What is the number after: 16? 23? 36?
  - What is the number before: 13? 17? 26?
  - Say the days of the week
  - Say the months of the year
  - How many sides does a triangle have? A hexagon? A rhombus?

THE MORE YOU REVISE, THE EASIER IT IS FOR YOUR CHILD TO REMEMBER
