‘Connected Classroom’ Virtual Excursion Viewing

Dear parents and carers

During this year, students of 2/3 Dolphin will be participating in virtual excursions within the connected classroom. These excursions are provided through the Department of Education to support in class learning as well as develop students’ general knowledge.

The virtual excursions may also be recorded for viewing at a later date or for the general promotion of the Department.

If you **DO NOT** WISH your child to watch and/or participate in virtual excursions, please return the slip below.

Thank you
